“Electrically approved document in www.sertifikaattihaku.fi service (search e.g. with document number)”

This certificate is valid until January 14th, 2025 on condition that there is no modification which alters the design, material or the manner of construction of a packaging and the manufacturer and Eurofins Expert Services have a valid contract on certification. Inquiries concerning the validity of the certificate may be addressed to Eurofins Expert Services. Other conditions are listed on last page.

Documents based upon for approval	Report id.	Date	Issued by	Scope
	VTT-S-06814-08	02.09.2008	VTT	Type test
	VTT-S-01559-15	08.05.2015	VTT	Type test
	Declaration of Conformity	23.12.2019	Europak Oy	Document
History of the certificate	This UN-certificate replaces UN-certificate VTT22EUK			

Conditions of the certificate:

The packer has to make sure that the content does not reduce significantly the strength of the packaging chemically or mechanically.

Where reference is made in this certificate to any regulations, publications, standards or other documents, it shall be construed as a reference to such publication in the form of which it is in force at the date of this certificate.

The manufacturer is responsible for the quality and continuous quality control of the product. In granting this certificate, Eurofins Expert Services does not accept responsibility to any person or body for any loss or damage incurred in respect of personal injury arising as direct or indirect result of the use of this product.

The use of the name of Eurofins Expert Services or the name Eurofins in any other form in advertising or distribution in part of this certificate is only permissible with written authorisation from Eurofins Expert Services.
